

**Some institutions to consider approaching in regard to the HIFA information evaluation project**

Institution	Website	Contact	Notes
<b><i>In the UK</i></b>			
Centre for Evaluation, London School of Hygiene and Tropical Medicine, UK.	<a href="http://evaluation.lsh.ac.uk">http://evaluation.lsh.ac.uk</a>	Dr James Hargreaves (Director) Email: <a href="mailto:james.hargreaves@lsh.ac.uk">james.hargreaves@lsh.ac.uk</a>  (plus a personal contact with an analyst there, Dr Colin Sanderson)	Established 2012. Themes include “implementation, pathways and consequences”; “evidence synthesis and knowledge translation”; and economic evaluation
Institute for Global Health, University College London, UK.	<a href="https://www.ucl.ac.uk/igh/">https://www.ucl.ac.uk/igh/</a>	Professor Therese Hesketh (Interim Director) Email: <a href="mailto:t.hesketh@ucl.ac.uk">t.hesketh@ucl.ac.uk</a>  (mHealth contact is <b>Ed Fottrell</b> )	Established in 2013. Does some work on evidence-informed policy and on global health economics. Ran (in Jan 2015) a major conference on mHealth in low and middle income countries.
Global Health Team, Centre for Health Economics, University of York, UK	<a href="https://www.york.ac.uk/che/research/global-health/">https://www.york.ac.uk/che/research/global-health/</a>	Professor Marc Suhrcke (Team Leader) Email: <a href="mailto:marc.suhrcke@york.ac.uk">marc.suhrcke@york.ac.uk</a>	Founded 2014. York University is probably the best renowned health economics institution in the UK. Is now extending into global health. and has done some work on economic evaluation of public health interventions in low resource settings.
Leeds Institute of Health Sciences, University of Leeds	<a href="http://medhealth.leeds.ac.uk/info/600/leeds_institute_of_health_sciences/">http://medhealth.leeds.ac.uk/info/600/leeds_institute_of_health_sciences/</a>	Professor Jeremy Wyatt (Director of Yorkshire Centre for Health Informatics)) Email: <a href="mailto:J.C.Wyatt@leeds.ac.uk">J.C.Wyatt@leeds.ac.uk</a>	Strong record in eHealth information and apps and their evaluation
<b><i>In the USA</i></b>			
Institute for Health Metrics and Evaluation, University of Washington, Seattle	<a href="http://www.healthdata.org">www.healthdata.org</a>	Professor Christopher Murray Email: <a href="mailto:cjlm@uw.edu">cjlm@uw.edu</a>	Established 2007. Work is mostly high level international overviews but programme includes some impact evaluations see <a href="http://www.healthdata.org/impact-evaluations">www.healthdata.org/impact-evaluations</a> .
Center for Global Health, John Hopkins University, Baltimore MD.	<a href="http://www.hopkinsglobalhealth.org">http://www.hopkinsglobalhealth.org</a>	Profesor Thomas Quinn, MD, MSc (Director) Email: <a href="mailto:tquinn2@jhmi.edu">tquinn2@jhmi.edu</a>	Founded 2006. Johns Hopkins University was ranked #1 USA in global health by the Universities Allied for Essential Medicine's (UAEM) University Report Card

FIRST DRAFT 14 March 2016

			on Global Equity & Biomedical Research.  Dr Alain Labrique, Associate Professor, is a recognised expert in mHealth.
Dept of Global Health, Milken Institute School of Public Health, The George Washington University, Washington DC.	<a href="http://publichealth.gwu.edu/departments/global-health">http://publichealth.gwu.edu/departments/global-health</a>	Professor Mary Ellsberg Email: mellsberg@gwu.edu	Dept runs a graduate programme in global health evaluation see <a href="http://publichealth.gwu.edu/programs/global-health-program-design-monitoring-and-evaluation-mp">http://publichealth.gwu.edu/programs/global-health-program-design-monitoring-and-evaluation-mp</a> Also home of the <i>Journal of Health Communication</i> .
Duke Global Health Institute, Duke University, Durham, NC	<a href="https://globalhealth.duke.edu/">https://globalhealth.duke.edu/</a>	Professor Michael Merson (Director) Email: michael.merson@duke.edu	Founded Evidence Lab in 2014 to develop evaluation tools for global health see <a href="https://globalhealth.duke.edu/media/news/dghis-evidence-lab-develop-evaluation-tools-global-health-innovators">https://globalhealth.duke.edu/media/news/dghis-evidence-lab-develop-evaluation-tools-global-health-innovators</a>
Duke Global Digital Health Science Center, Duke University, Durham NC	<a href="http://www.dukedigitalhealth.com">www.dukedigitalhealth.com</a>	Professor Gary G. Bennett (Director) Email: gary.bennett@duke.edu	Specialises (uniquely in USA?) in work to “design, test, and disseminate effective digital health interventions to populations who need them most”
<b><i>In other countries</i></b>			
The Umeå Centre for Global Health Research, Umeå University, Sweden.	<a href="http://www.globalhealthresearch.net">http://www.globalhealthresearch.net</a>	Professor Peter Byass (Director)  Email: peter.byass@umu.se	Established 2007. Experience of the centre in evaluation work is not clear but Peter Byass specialises in health monitoring and metrics in developing countries. Hosts the open-access journal <i>Global Health Action</i> .
OTHERS not yet looked at: - The George Institute for Global Health, University of Oxford, UK - The Earth Institute, Columbia University
